CAE Bruce Aubin SAE Aerospace Design Award Nomination Form

Deadline: 16 April 2021

This scholarship program is sponsored by The Canadian Academy of Engineering and the Society of Automotive Engineers, through the generous support of Mr. Bruce R. Aubin, ing, FCAE. Mr. Aubin, retired after 40 years of service with Air Canada. He has dedicated over 50 years of service to the advancement of aerospace engineering. After serving as the 1993 SAE President, Mr. Aubin has been extremely active in the SAE by holding leadership positions as Chair of the SAE Aerospace Program Office and Vice Chair of the SAE Foundation Canada Board of Directors.

Student Eligibility Requirements:

Students who are Canadian Citizens and currently enrolled in a Canadian University Engineering Program. These students should have unique and outstanding leadership skills within the SAE Aero Design collegiate chapter, SAE Aero Design team, the SAE local section or the SAE community, with potential transferability of leadership skills to the aerospace industry.

Terms of Scholarship:

One winner each year receives an \$2000 honorarium and a framed certificate.

How to Apply:

[Access the 2020-2021 Application here.](#)

Please ensure that the documents are submitted in the method stated in the application. Any other methods of submission will not be accepted.

Application Deadline:

16 April 2021

Recipients of the scholarship will be notified by the end of May.
